ALL MEMBERS!
General Membership Meeting
July 18th

Jimbo christening the new floating docks at our Dock Party.

Commodore's Corner

Well, the first six months of 2008 are now behind us and it has been a busy year. I am sure we will continue to be busy at the club in the next six months as well.

There will be a general membership meeting on July 18th, our semi annual one in accordance with our by-laws. The night after the meeting we will be having a party to welcome our new members. The membership committee has planned on live music and hors'd oeuvres. There will be a small cover charge for the members who have not sponsored a new member during the membership drive. I am sure more details about the party will follow. It should be a great party and I hope everyone will come and help us welcome our newest members.

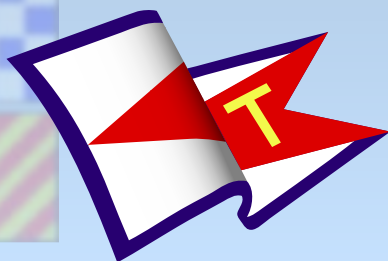

We have been contacted by Warren Properties, our landlord in regards to two things. The first being a notification that no boats are to be tied up at the main dock overnight. They do understand when we have regattas and will make allowances. In the meantime, please try and abide by this. Secondly, we will need to get rid of the boats on the north side of the club for now. We do not even know who owns the two boats on trailers, but they must be moved. If you can help, please call me or Kevin Blank.

We are also still looking for a potential buyer for the 27' Irwin that was donated last year. Since it is one the boats causing a problem, we would like to sell it as soon as possible.

With regrets, we will have to discontinue the Saturday Night "Happy Hour". It is just not economically feasible for now. If we get more traffic on Saturday Nights we will try to reinstate it.

Thanks to all the participants for Friday Night Dinners and my "Commodore's Grill" nights. We have been trying to improve the quality of the meals and retain reasonable prices. We have been rewarded with your increased support and the club benefits greatly from your attendance.

See you at the club,
Jim

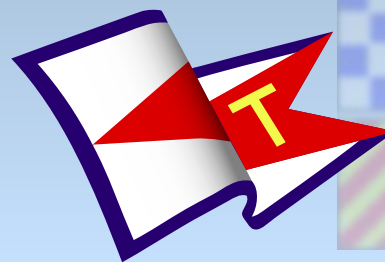

I would like to thank everyone who helped out with our Dock Party on June 7th. Even though it was one of our more simple parties as far as the logistics were concerned, I think it was one of most successful in recent past. I can't even count how many people I heard comment on how much fun they were having. We even had random people walking up to members on the dock asking what was going on. Thank you to everyone who participated and keep your eye open in the fall for another dock party with a bit cooler weather! By the way, if anyone is inclined to help out with party/social planning, please get in contact with Val, our Entertainment Committee chairperson.

Summer brings a pause to much of our sailing and boating activities here on the lake. The lack of breeze and oppressive heat can get to the best of us and generally makes a day on the water more of a trial than a day spent relaxing. My recommendation is to follow in the footsteps of many New Orleans families and head to the coast. As long as the seabreeze fills in (which it normally does) it can make the day turn out quite pleasant. I recently participated in the Meigs Regattas over at Fort Walton Yacht Club where I raced my Finn. I can report that on the first day of racing we saw sustained wind of 15 knots with gusts to 18. On the second day we averaged between 8 and 12 knots. Both days I wore my 3/4 hiking suit which is made of light neoprene and surprisingly I was quite comfortable temperature-wise on the water. We don't have to let July and August lock us indoors!
