Commodore's Corner

Tom Smith

Another month has passed with a lot of activities and our volunteers once again stepped up and did a great job of representing themselves and the club. I tried to make my way around and thank each of you personally during LPRC weekend for your contribution. If I missed someone let this thanks apply to you. It was a great event and with the exception of a lack of wind on Sunday the reviews on the weekend are positive. These events are successful because people make them successful. They do not happen without a lot planning and hard work by everyone, thanks again. We had a good band, and an equally good party for everyone to enjoy.

LPRC marks the end of our normal sailing season. A few hardy souls venture out for Sugar Bowl and Marti Gras regattas but for the majority this is the end of the season. Wayne and many others chipped in to make this a fun year for the sailors as well as a very competitive one.

On the calendar this month are our Friday night dinners, the bridge group continues to meet on Wednesdays and the Friday afternoon after Thanksgiving will be a pig/pork roast to celebrate the LSU vs. Arkansas game. Come on out and celebrate the festivities. We will continue to have snacks at the club for all Saints games so have a beverage and join good company to watch the games.

We have been planning our New Years party so mark your calendar for Saturday night the 28th of December and forward any suggestions you have to make the celebration better to Lacy, Debbie or myself. Red Line, a good local band has already been booked for the event. I look forward to seeing everyone there.

Last month we selected the board for the coming year and those results are posted in this issue. We all look forward to another exciting and successful year. I have been and will continue to talk to committee heads and members for next year. If you would like to serve on a particular committee please make your wishes known and we will make it happen. See you at the Club!

She's such a good girl!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

TYC Race Continued

Wayne Jablonowski

I thought it would be a good idea for all of the racers, and their crews to get together at the end of the year and tell stories and lies about the years events, what we accomplished, have a year-end trophy presentation, watch all of the photos and videos from throughout the year, etc. So with the blessing of the Commodore, we are planning an event for THURSDAY NIGHT, December 12. Mark your calendar and tell your crew. And as an added bonus Dave Bolyard has agreed to put on a racing clinic/seminar. We all know that anytime we speak with Dave we learn something about sailing. Further info on this "banquet" will come out as soon as some details are nailed down.

TYC First Mates

Gloria Poole

This month at our board meeting we planned for the holiday events. Dodie and Kathy Sexton visited several restaurants looking for just the right place for our First Mates Xmas party. The board decided on LaRosseta Restaurant on Roberts Road. The date, time and menu will be sent to members. The restaurant will have a private room for us near restrooms and most importantly the bar. We will do a \$25 gift exchange.

It is also that time of year to be thinking about sweetheart nominations. Look around the club and see which one of our guys deserves the honor. We look for someone that is always there to lend a helping hand. We will also be nominating officers for the coming year.

Special thanks to all who donated items for the Slidell Ladies of Liberty. On October 16th, a group of First Mates joined Slidell Ladies of Liberty and packed boxes for the military. The ladies who attended the event were Debbie, Angela, Val, RaeAnn, Kathy Sexton and myself. It was a fun way to get First Mates involved in the community. We look forward to doing more events. Let the board know if you have ideas.

Our next board meeting Nov. 7th.

Nominating Committee

Kyle Bowser

At last month's TYC general membership meeting the following members were elected to serve on the 2014 Tammany Yacht Club Board of Directors. As the Nominating Committee Chairman, I personally want to congratulate each one of them and wish them well in the coming year. Over the past few years our club has made great strides in providing value to its members and assuring sustainability. I believe this board is very strong and should continue steering our club in the right direction.

Thanks guys and good luck

LPRC Breakdown!!!

Kevin Blank

The Lake Pontchartrain Racing Circuit is a joint regatta put on by the four main Lake clubs (NOYC, PontYC, SYC, and TYC). This year TYC was in charge of the Lake Pontchartrain Racing Circuit. The TYC representative for the LPRC chairman was Kevin Blank. Our other TYC committee members were Kenny LaNata, Tom Smith, and Wayne Jablonowski.

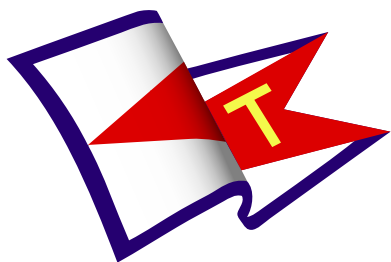

I can say with confidence that TYC won the best party for LPRC this year. Thank you to Tom Smith and all of our TYC volunteers and bartenders that made our portion of this event so successful.

We participated in the race management with our race committee taking the finishes for the distance race on Saturday and our race committee boat and members handling the buoy racing on Sunday. Unfortunately the wind didn't play well and racing was abandoned for the third day of racing.

Most of TYC's active racing boats were able to make the regatta. Overall, in A class, Crazy Diamond finished 3rd, in C class, Gotcha finished 3rd and in D class, Weather Witch finished 2nd.

Thank you to our race committee boat and volunteers (Gary, Dodie, Bobby and all their crew) for all your work. Thank you to Lacy and our bartenders for your work with the parties. And thank you to all of our TYC volunteers for the work you did to help make this event a success.
