## 2014 Board of Directors

# TYC Race

**Rob Keister**

There is not a lot going on with race committee right now, everyone should be getting their boats ready for the Spring Series. Wednesday night racing will start on March 12, with the first start at 7pm and there will be a Skippers meeting on Thursday, March 6 at 7pm. We are planning three 5 race regattas in the Spring Series, with the first couple as triangle course to our new "T" mark.

On January 26, Wayne Jablonowski, Kyle Bowser, Sandy Stone, Tom Smith and myself spent several hours "fishing" for our old "T" mark or at least the chain for it. After several frustrating hours the decision was made to make one more pass and then we would call it a day. Within in minutes of that decision, the old anchor chain was snagged and up from the muddy bottom. It was obvious that our old "T" had been completely destroyed, but our chain was still useable. Our fearless crew attached our new "T" mark, which was donated and constructed by Sandy Stone, to the existing chain and anchor. Thanks Wayne, Tom, Sandy and Kyle we now have a new "T" mark at N 30 10.911 W 089 50.103.

# TYC First Mates

Gloria Poole

Boy, were the First Mates busy last year. It seemed like we were always working hard in 2013 on parties, fundraisers, decorating, and oh yeah – did I mention the parties? I would like to personally thank each of the First Mates for all of their hard work last year. Among other fun events, we had a Super Bowl party, a raffle, a Sweetheart Dinner, a soup contest, a blessing of the fleet, a pool party, a jewelry show, a wine tasting, tree trimming, a cookie exchange, a Christmas luncheon and after several years of discussion we finally had a pub crawl.

As you know, First Mates isn't just about partying like rock stars though, we also spent a great deal of time last year working to raise money for the club and help spruce up the interior. We paid for the paint for the dining room and the back porch, the installment of valances, and new art work to decorate the club. We voted to do window treatments in the bar area and set money aside for this purpose. Unfortunately the decorating committee could not agree on what was best (blinds or window tinting), so the project is still on hold.

The decorating committee also submitted a design for the remodeling of the bar. The TYC Board approved their plan and six months ago two members agreed to make the cabinets out of wood and mirrors. To date, that project has not been completed though, so we still have money in the bank. Finally the First Mates are proud to announce that the seven year wait for the TYC directory is over!! I know there have been many complaints about the lack of a proper directory in the past few years, but after being assigned the task, I took it upon myself to see that it was completed. Members were emailed, called, and the directory was left at the bar for members to add their information. A few members have still not responded in the last few months, but since many are anxious to get the directory I have submitted a USB with all of the information I currently have.

Turning to recent events, the 2014 Super Bowl party went off without a hitch. Thanks to everyone who joined in on the fun and congratulation to the big winner of the raffle! The Sweetheart Dinner is on Feb. 21st and the signup sheet is at the bar. We are hoping everyone can join us for what we are sure will be a romantic and magical night. The nominations for sweetheart will be sent out to the First Mate members to vote on and return to the club by the 14th. As a special treat, this year's winner will be serenaded by one of the First Mate members. This event will not be filmed, so be sure and attend the dinner so that you can see this once in a lifetime moment for yourself!

As a final thought I would just like to say that this coming year promises to be the most exciting year for First Mates yet. We have some great plans in the works, so in the words of the kids these days YOLO!!!
