TAMMANY YACHT CLUB
GENERAL MEMBERSHIP MEETING
NEW BOARD INDUCTION
JANUARY 17, 2020
7 PM

Commodore's Corner

Larry Whited

First let me wish everyone in the Tammany Yacht Club community a Happy New Year. The Club saw many ups and downs in 2019, but with the help and support of many, many members we persevered. There are many challenges and opportunities ahead, but I am confident the new TYC Leadership Team is up to the task.

I cannot begin to appropriately thank ALL the people that supported the club with their efforts and financial support this past year. The Board and Committee Chairs and participants deserve special kudos for their ongoing commitment to the Club. But it would be all for naught if the General Membership didn't participate. We had a lot of fun special events this past year, and I'm excited when I hear some of the new ideas being proposed. I've said this before, but it bears repeating. If you like the way things are going, GREAT! Get involved and keep the momentum going (like the LSU Football Team). If you don't like the way things are going, GREAT! Get involved and contribute to making the changes you'd like to see. It's been said many times, if you didn't vote, don't complain about the election results. Participate. Our Membership is ultimately our only resource.

Be sure to attend the General Membership meeting on January 17th and celebrate the swearing in of the new Board. It's important that we give them the support they need and deserve to lead TYC in 2020. I'm excited about the possibilities.

And for me personally I'd like to quote an old wine commercial, "Thank you for your support."

See you at the Club.

Larry Whited
TYC Commodore

Commodore-Elect

Frank Bush

As we start a New Year, I am honored to have been elected as Commodore. In the past couple of years Bobbi and I have enjoyed the comradery of everyone at the club. I look forward to the coming year and giving you reasons to be members of this yacht club and invite your friends to join us. My vision is to have fun events at the club and on the water while growing our membership. Everyone has expressed their willingness to help in many ways; which is much appreciated because it will take us all to make this yacht club a success. I encourage you to assist as much as you can in the committee of your choice.

Below are some of the volunteers and the committees, I want to thank them for their service. Their experience and willingness to give of their time is invaluable to this club.

The Entertainment Committee has started with the New Year's Eve Party, which by the time you read this I hope you enjoyed. I'm looking forward to their events this year. Jan Lemaire and Bobbi Bush are co-chairing with the help of Carol Whited. Please contact Jan or Bobbi if you would like to participate on this committee.

Larry Whited has agreed to take care of the House along with Tom Smith so we are in good hands there. I sure there will be projects they will need our help. Laura will continue to keep our calendar up to date and coordinate rentals.

Dave Lemaire is going to keep the Membership Committee so be prepared to "Invite a Friend" to meet you at the club.

Kyle Bowser will be Race and Mike Parks will be our Race Committee chair along with some I have not had the opportunity to talk to yet.

Sandy Stone will be working with our Juniors and is learning a lot about being our Webmaster.

Peggy Stone will still be publishing the Spyglass along with Denise Rock.

Cheryl Perret has agreed to stay as Treasurer for another year. We have also hired a bookkeeper.

It is OUR Yacht Club which means it takes us all. Silence is compliance so no word means you are content, I want to hear how we can grow this membership while having a good time by all.

I hope you are as excited about this coming year as I am.

Thanks for all your support,

Frank Bush

Elves around the House

Entertainment

Jan Lemaire and Bobbi Bush

We had a very short organizing meeting and decided that the first Wednesday of every month except January (that's New Year's Day so we will meet second Wednesday in January) at 5:30 at the Club is our regular meeting time. Bobbi bush and I are co-chairing the committee. We would welcome participation by ANY person who would like to help with Club entertainment. Laura and Brenda have agreed to meet with us so we don't extend ourselves beyond our capabilities. We tossed a few ideas around—certainly the upcoming NY Eve party, early Feb likely the potluck to take pics and get the member info for the pictorial directory, the Valentines diner if we can pull it off (I am out of town for that one so hoping Bobbi will coordinate that). Everyone loved the Bingo so a repeat of that one, the Crawfish races and Fleet blessings, Chili cookoff, probably a co-ed Dirty Santa/ ugly sweater gift exchange in December, Halloween Costume party are all on the table right now. I know we could do a quarterly potluck and I think we would enjoy it.

Carol would like to see us repeat the lingerie fashion show that was a hit in the past. Toga party with Greek/Italian food is a possibility for pot luck. Make your own Pizza if I could figure out how to cook everything without taking hours. Summer clambake. The possibilities are endless but can be labor intensive. It can be a very active year if we can have more members participate on the committee.

Membership growth is so important for our club and we would like to recognize our newest members

“WELCOME ABOARD”

Please give a warm Tammany welcome to our newest member,

Robert Ochs from Alexandria, VA.

The membership committee would like to extend greetings for a wonderful new year. Please remember recruitment for new members is ongoing and involves everyone. We are all ambassadors for TYC and need to spread the word.

If you have not been to the club in a while, please try to attend the pot luck membership gathering. Photos for the directory will be taken and this is a good time to meet new people and rekindle friendships. The future of our club depends on involvement and participation.

Happy New Year to the TYC Community!

Happy New Year to the TYC Community. We are off to a great start with a new board and many committee leaders in place. I will continue to edit Spyglass. I could not do this without the many people that help by sending pictures. Thanks to Carol Whited, Jean Almos, Jan Lemaire, Kim Baummy, Denise Rock, Desi Young and others for the great pictures in this issue.

Sandy and I have some travel plans in the upcoming year. Have patience if your Spyglass is not in your inbox at the beginning of the month. Occasionally, it will be necessary to publish a double issue. I am very open to any one who would like to contribute their help.

Please support our hard working entertainment committee. They are off and running with the New Year's Eve party.

Take a moment to reflect on the past year and let it go—the past is history, the future a mystery so live for the present.
