Board Members cannot run this club by themselves. We all need to offer support and volunteer to keep our club going. It is a great place in which to belong.

Whether we join in and cook that Thursday night dinner (to give Suzie a break) or help with entertainment, please consider what you can do to help. David will be looking for people to step up and take on a committee.

I have been contacted by a friend who is part of One-Way Love, an organization that helps people in need. There is a family of five having to stay in a hotel. They have nothing, and in need of help. It is a family of mother, father and three children. If anyone wishes to make a monetary donation, please see me as we will make sure we buy for the family as needed. We will also have a box up front for donations of food for Thanksgiving baskets. If you prefer to donate money for these baskets, again, we will be shopping to fill in what will be needed.

Anyone wishing to cook the main dish on a Thursday night, please contact Suzie. Suzie has done an awesome job cooking. We have a delicious dish every week. Let's help and give her a break every now and then. Suzie, thank you for all you do. You are a tremendous support to our club.

Vincent Rabalais will be hosting the Christmas Boat Parade. Anyone wishing to participate please contact him directly. 504-491-3575 or email: vrabalais@bohbro.com. Tammany Yacht Club is not sponsoring this parade.

What a tremendous turn out we had at our Open House. We had several inquiries and member applications were given out. So many people thanked us for the invite and said how nice our club is. Thanks to all who showed up to help decorate the club so beautifully and all who brought a dish. Everyone enjoyed the band and danced to the end.

We had a signup sheet at the door for our guests to give us their information. Pauline made sure everyone on that list was sent a personal email thanking them for coming to our club. This gesture goes a long way with someone. Thank you Pauline for taking your time to do this.

Rene has been cooking burgers, hot dogs and sausage for our sailors on Wednesday nights and to cheer on our Saints and LSU games. We would like to see more members come get their favorite cocktail and a bite to eat with us. You can also take a chance on our football pools.

We also had an awesome turn out for our Halloween Party. Congratulations to our costume contest winners.

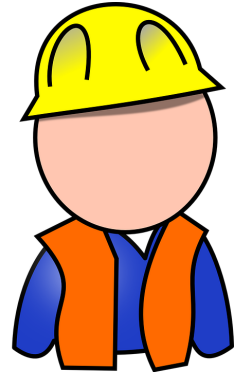

For all our new members, please know that you are always welcome at the club, regardless if there is a rental or any other function.

November 2022

The delivery of alcohol and bar supplies to the club remains at a steady pace. We are hopeful that this steady stream of supplies remains constant in the new year.

TYC is fortunate to have had quite a few functions in the past few months that continue to provide us with much needed revenue to keep our club functioning in a positive manner.

We are planning a TYC Movie Night that will take place in the near future. We will keep you posted as plans unfold.

Thanksgiving boxes have been placed near the front door of the club for your convenience in donating Thanksgiving canned and boxed food. Should you prefer to make a monetary donation, you can donate through your personal club account at the bar.

If anyone is interested in filling the position for the TYC House Committee for 2023, please see Dave Lander.

It has been a pleasure to serve as your House Committee Chairman for 2022. I extend a Happy Thanksgiving to all, and as always, I look forward to seeing you at the club.

Happy Thanksgiving,
Rene' Marques

I can't believe how fast this year is going. Our Chili Cook Off was a huge success. Congratulations to our winners, Jan Pecunia, Beth Jablonowski and Kim LePine. Ladies, please bring your recipes to the club. I'm sure there are some who would love to have a copy. I know I would. We can put them at the bar.

Thank you to Patti Heindel for organizing the Halloween Ball this year. I was unable to participate with this due to a scheduled family reunion. Thank you also to all the members who stepped up to give her a hand with the preparations.

Our Saints Game Burgers seem to be going well. Burgers, beers and Saints on a Sunday afternoon. It's a great combination. Make sure to come out and join the fun.

November brings us Thanksgiving. A time to reflect and be thankful for all our blessings. There are many not as fortunate and are in need right here around us. I say that to remind everyone to please join in to help with our Thanksgiving food boxes for those less fortunate. We will be collecting Thanksgiving Food items at the club. We did this last year, and it was a huge success. If you know someone who could benefit from a Thanksgiving food box please let Cheryl, Pauline, Suzy or myself know.

Thank you and God Bless.

October, and the Juniors' Program, is dormant. That being said, it has come to my attention that a number of volunteers got together and cleaned up trash in the Juniors' yard while my back was turned. It just goes to show, you never know what might go on when you're not looking. Major thanks go to Dr. Bobby Tassin, Carol Perret, Rene Marques, Steve Case, Nadja Solerno-Sonnenberg, Larry Johnson, Keith Boos, and Larry Mims. If I left anybody out, I apologize.

If anyone is feeling energetic, I might request that maybe we could slap some paint on the Optis while the weather is tolerable. Please feel free to include me this time. Thanks to all.

SAVE THE DATE

Save the Date: December 2-4

More info to follow.

TYC Racing October 2022 – Dr Bobby Tassin

First, weather check and yes – fall is upon us with nice cool breeze! Except for last Wednesday night where it was just too beaucoup. Afternoon gusts were to the mid-30 knots! The cut-off for general lake fleet sailing is 20 knots and it didn't get below that until.... you guessed it – right after start time. We look forward to Wed Nite Fall #5 next week. We have two more weeks to get out on Wednesdays and enjoy the cooler weather.

The TYC Club Champion regatta appears to be on life support as we couldn't muster a fleet on 9/17. The RC publishes the schedule at the beginning of each year. I will leave it to the fleet if they want to attempt racing next on 11/12 which is the Commodores' Cup. Sadly, it was the same story for the Single Handed Around the Lake Regatta, Saturday 10/1. It has been the longest running SHR event on the lake since the beginning of TYC. It's a sign of the times not just here but across the country where PHRF fleets are graying and shrinking in many areas.

This month we look forward to LPRC. It starts at PYC on Friday; to NOYC on Saturday and ends at SYC on Sunday. There are post-race parties with food and music each evening, so sign up to race or just join in the post-race fun. I really want to encourage our Racer-Cruiser and Non-Spinn boats to participate. A single race per day with steeplechase or triangle type course emphasize max fun and less sweat.

TYC again thanks the **LPRC Regatta Committee** for a \$500 donation to support TYC Junior sailing.

TYC 2022 Racing schedule (subject to change)

TBD– Opening Regatta and May Day Regatta and Charter Day Regatta

10/20 – 10/23 – LPRC – starts at PYC & ends at SYC

11/12 – Commodores' Cup

Fair winds and following seas!

Greetings TYC Friends,

I am hopeful that this message will find you in the best of health and prosperity.

I would like to take this opportunity to express my sincere thanks and gratitude to our TYC Club and members for their work in helping to make the Life Celebration for one of our family members a beautiful event.

A great big "Thank You" is extended to our Committee Chairs for always working to get their articles sent to Spyglass in a timely manner.

If you are a new member of TYC, please be sure you introduce yourself to me while at the club. I would like to be sure to take a picture of you so that I can post it in Spyglass. We welcome you to our great club.

FROM THE BAR

From the Bar

Herb and Suzy Sale have been members of Tammany Yacht Club since Guy and Pat Geller convinced them to join in the early 1990's. Both are native New Orleanians with Herb born on Carrolton Avenue and Suzy nearby in Metairie.

Suzy began her education at Ursuline Academy of New Orleans, the oldest Catholic girls' school in the U.S. Upon graduation, she remained true to her love of New Orleans and entered the Mercy Hospital School of Nursing where she earned her B.S. degree and later worked as a registered nurse. Between hospital shifts, she met Herb on a blind date arranged by her brother. To quote Suzy, "It was lust at first sight." They were married one year after that first date. Their 59 years of marriage included a telephone call from Herb announcing that he had quit his first job. Suzy was 7 months pregnant at the time, and she confesses to having had a few queasy feelings. Confidence in Herb and a nursing background helped with her adjustment. They have three children, a daughter and two sons. Their daughter is honored by a portrait that Suzy painted. It hangs in their dining area and is worth a special visit to the Sale's home, invitation required.

The day after graduating from Warren Easton High School, Herb boarded a streetcar that brought him to the New Orleans Coast Guard enlistment site. One month later he was marching at the Coast Guard training center, Cape May, New Jersey. Herb loved life in the Coast Guard with championship rowing one of the high points. Lack of federal funding and cuts in Coast Guard staffing caused Herb's transfer into the Coast Guard Reserve and a return to New Orleans. The move back to New Orleans allowed Herb to attend Tulane's School of Business and to begin employment with a small office equipment firm. After a brief stint as an employee, Herb formed his own office equipment business that quickly grew to 55 employees. His business served the needs of companies throughout New Orleans and southern Louisiana. Despite heavy workloads, Herb and Suzy kept up their interest in fishing, which began while dating. Their small skiff grew into their present fishing boat, a twin catamaran. To Suzy's recollection, they have never come home without a successful catch.

You can usually find Herb, and sometimes Suzy, at the TYC bar. A glass of red wine will get you tales of good fishing, boating and thanks to his position as former Commodore, TYC history. Suzy may be more difficult to find. Our "Thirsty Thursday" dinners grew out of Suzy's hors d'oeuvres, so you may find her in the kitchen keeping an eye on meal preparation for as many as 50 people. We are very fortunate to have Herb and Suzy as TYC members.

COOKIN' WITH TYC

Our November recipe is sent to us from Nadja Solerno-Sonnenberg.

Thank you, Nadja! Enjoy!

Growing up Italian with only just enough money for the basics, my grandmother (who lived with us) always seemed to find a way to have lots and lots of delicious food on the table every night.

I really don't know how she did it...but that woman could pull some lint out of her pocket and make dinner with it.

This dish is comfort food to me...been eating it ever since I could chew.

Incredibly easy to make and very easy on your wallet.

Ingredients

Canned Peas or Ceci (garbanzo beans)

Bacon

Onion (half a medium onion)

Ditalini Pasta

Romano or Parmesan (or both) cheese

This recipe is for one person.

Fry 3 slices of bacon until crisp. Remove from pan but DO NOT throw away the bacon lard. Chop the bacon into little pieces. In the bacon lard saute chopped onion until soft.

Add can of peas (discarding only a little of the water). If you're using Ceci, put all the juice in as well.

Lower heat and let it cook until soft...usually about 20 to 30 minutes.

Towards the end add the chopped bacon.

In the meantime cook your Ditalini Pasta until Al Dente.

Drain pasta and mix well with peas or Ceci sauce including all the juices. Just empty the whole pan into the pasta.

Add grated cheese. Lots of it. Be generous!

That's it. Simple, cheap and absolutely delicious. Enjoy.
